Gather up the family. As you prep and bake, read this...

Hand Out a Marshmallow. This represents Jesus who was pure, white, sinless and perfect. Out of love for us, He chose to die on a cross and take on the punishment of everyone's sin so that we could be forgiven and be in relationship with God, again.

Dip Your Marshmallow in Melted Butter, then Roll in Cinnamon Sugar. Jesus' friends and family were very sad when he died. They loved Him. So they rubbed special oils and spices on Jesus' body to get him ready for burial.

Wrap Your Marshmallow in a Crescent Roll.
Firmly Seal All Seams. (Optional: dip top of roll in butter and sugar mixture.) Jesus' friends wrapped his body in special clothes to bury him in.

Place Your Roll in Muffin Tin. (Optional: sugar side up.) Jesus' body was placed in a tomb. Super-strong soldiers sealed it with a heavy rock and stood guard 24/7. No one could get in nor out.

Bake Rolls 8-10 min.

Jesus was in the tomb for 3 days.

Tear Open Roll.

When Jesus' friends visited the tomb, they saw the stone was rolled away. They looked inside. The tomb was empty!

Celebrate and eat! At first, they were scared. They thought someone stole Jesus' body. But, Jesus appeared to his friends and family - proving that He defeated death and rose again just like the scriptures said He would. (Isaiah 53)
