

CHRISTMAS MEMORY GAME

Gather up some of your favorite people and scissors.
Feel free to add-in your favorite Christmas treats and tunes.
When you're ready, check out the "how to play" rules. Have fun!

HOW TO PLAY:

Print cards and cut along the dotted lines so you have 42 cards.

Play just like the game MEMORY.

Turn all cards face down, mix them up and place in grid.

Pick a player to go first and turn over 2 cards.

- If cards match, keep them and try for another match.
- If cards don't match, turn over and someone else goes.

The person with the most matches at the end WINS.
