

Tell someone this egg-citing spin on the

Easter Story

In the beginning, God made an **eggscellent** world filled with animals, humans and perfect love.

Then, Adam and Eve made a bad choice. Sin entered the story. Since God is holy and can't be near sin, they had to **eggsxit** the Garden of Eden.

God's love for us is so **eggstraordinary**. He wanted us to be able to come to Him - anytime, any place. So, He sent His son, Jesus, to Earth as the sacrifice for our sin. (Merry Christmas!)

Jesus chose to die on the cross for our sins. What an **eggscptional** act of grace and mercy! And, just like He said He would, Jesus rose from the dead on the third day. **Jesus is alive!**

The **eggsperts** can't explain how the tomb was empty, but it was. Jesus beat death and the grave. We can be in relationship with God, again, and live forever with Him in Heaven. That's the best Easter gift, ever!
