Christmas Bullseye Game

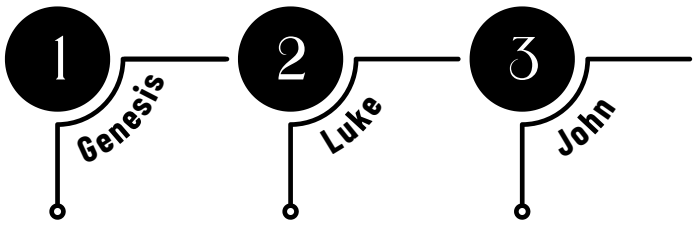

What you'll need: Printed Bullseye target (or draw your own),
Clear double-sided contact paper or tape and multi-colored pom poms
(Or, forget the tape and throw something that would stick to the paper.)
Something to write with, like markers, pens, crayons and/or pencils

How to play: **There are so many wonderful things to see and do at Christmastime!**
When you look at the prompts on the bullseye, what comes to mind?
Feel free to get ideas from family and friends!

- Write down your answers.
- When you have filled everything in, attached either the double-sided contact paper or tape to the top of bullseye. The goal is to have the bullseye target be sticky.
- As a grown-up where you can hang your bullseye or hold it up for each other.
- Take turns tossing pom poms to see how many times you can hit the bullseye!
- Got ideas on how to make the game better or more fun? Go for it!
