

FUN WITH A FRIEND ROLL IT AWAY

START HERE

Take turns with a friend rolling a crayon, like the stone in front of the tomb was rolled away in our Bible story. Each friend gets five turns to roll. The points are based on where the tip of the crayon lands in the target. Lay a crayon on the “Start Here” line, and roll it toward the “stone.” If the crayon lands partially on a line, pick the circle where most of the crayon tip lands. Add up your totals, and the friend with the most points wins!
